

Muskrat Dinner - **CANCELLED**

In an effort to do our part, in keeping all members of our community safe and lessening the spread of COVID-19, the Dover Rod & Gun Club is cancelling the March 27th, 2020 Muskrat Dinner.

As a community based club, it is important to us that we follow the recommendations made by the Municipality of Chatham-Kent, that includes social distancing and refraining from running any events involving more than 250 people.

We appreciate your understanding and support in this decision.

Please see the member from whom you purchased your tickets to return them, and get a full refund. We will schedule another Muskrat Supper at a later date.
